

Red

Red, beloved long-time senior member of the Miracles In Motion herd, crossed over the Rainbow Bridge on March 29, 2017. He was estimated to be around 33 years old. For students, he was a calm, gentle ride. For those who guided and took care of him, he was a sweet gentleman. It was an absolute privilege to know him.

A memorial fund has been set up for Red. Donations may be made through our webpage or by sending a donation directly to Miracles In Motion, 2049 120th St., N.W., Swisher, IA 52338. Funds will benefit the rest of his herd.
